SENIOR
SENIOR

To you, Class of 1967, first graduating class of Denbigh High School, we proudly dedicate this our second publication of *The Heritage.*

You, the Class of 1967, will be the first graduating class, and will leave behind you many fond memories of the past two years at Denbigh High School.

When you entered the doors of DHS in September of 1965, you were bewildered by the modernness and the beauty of your new school building. You have had the privilege of being the uppermost class for two years, but with that privilege came many responsibilities.

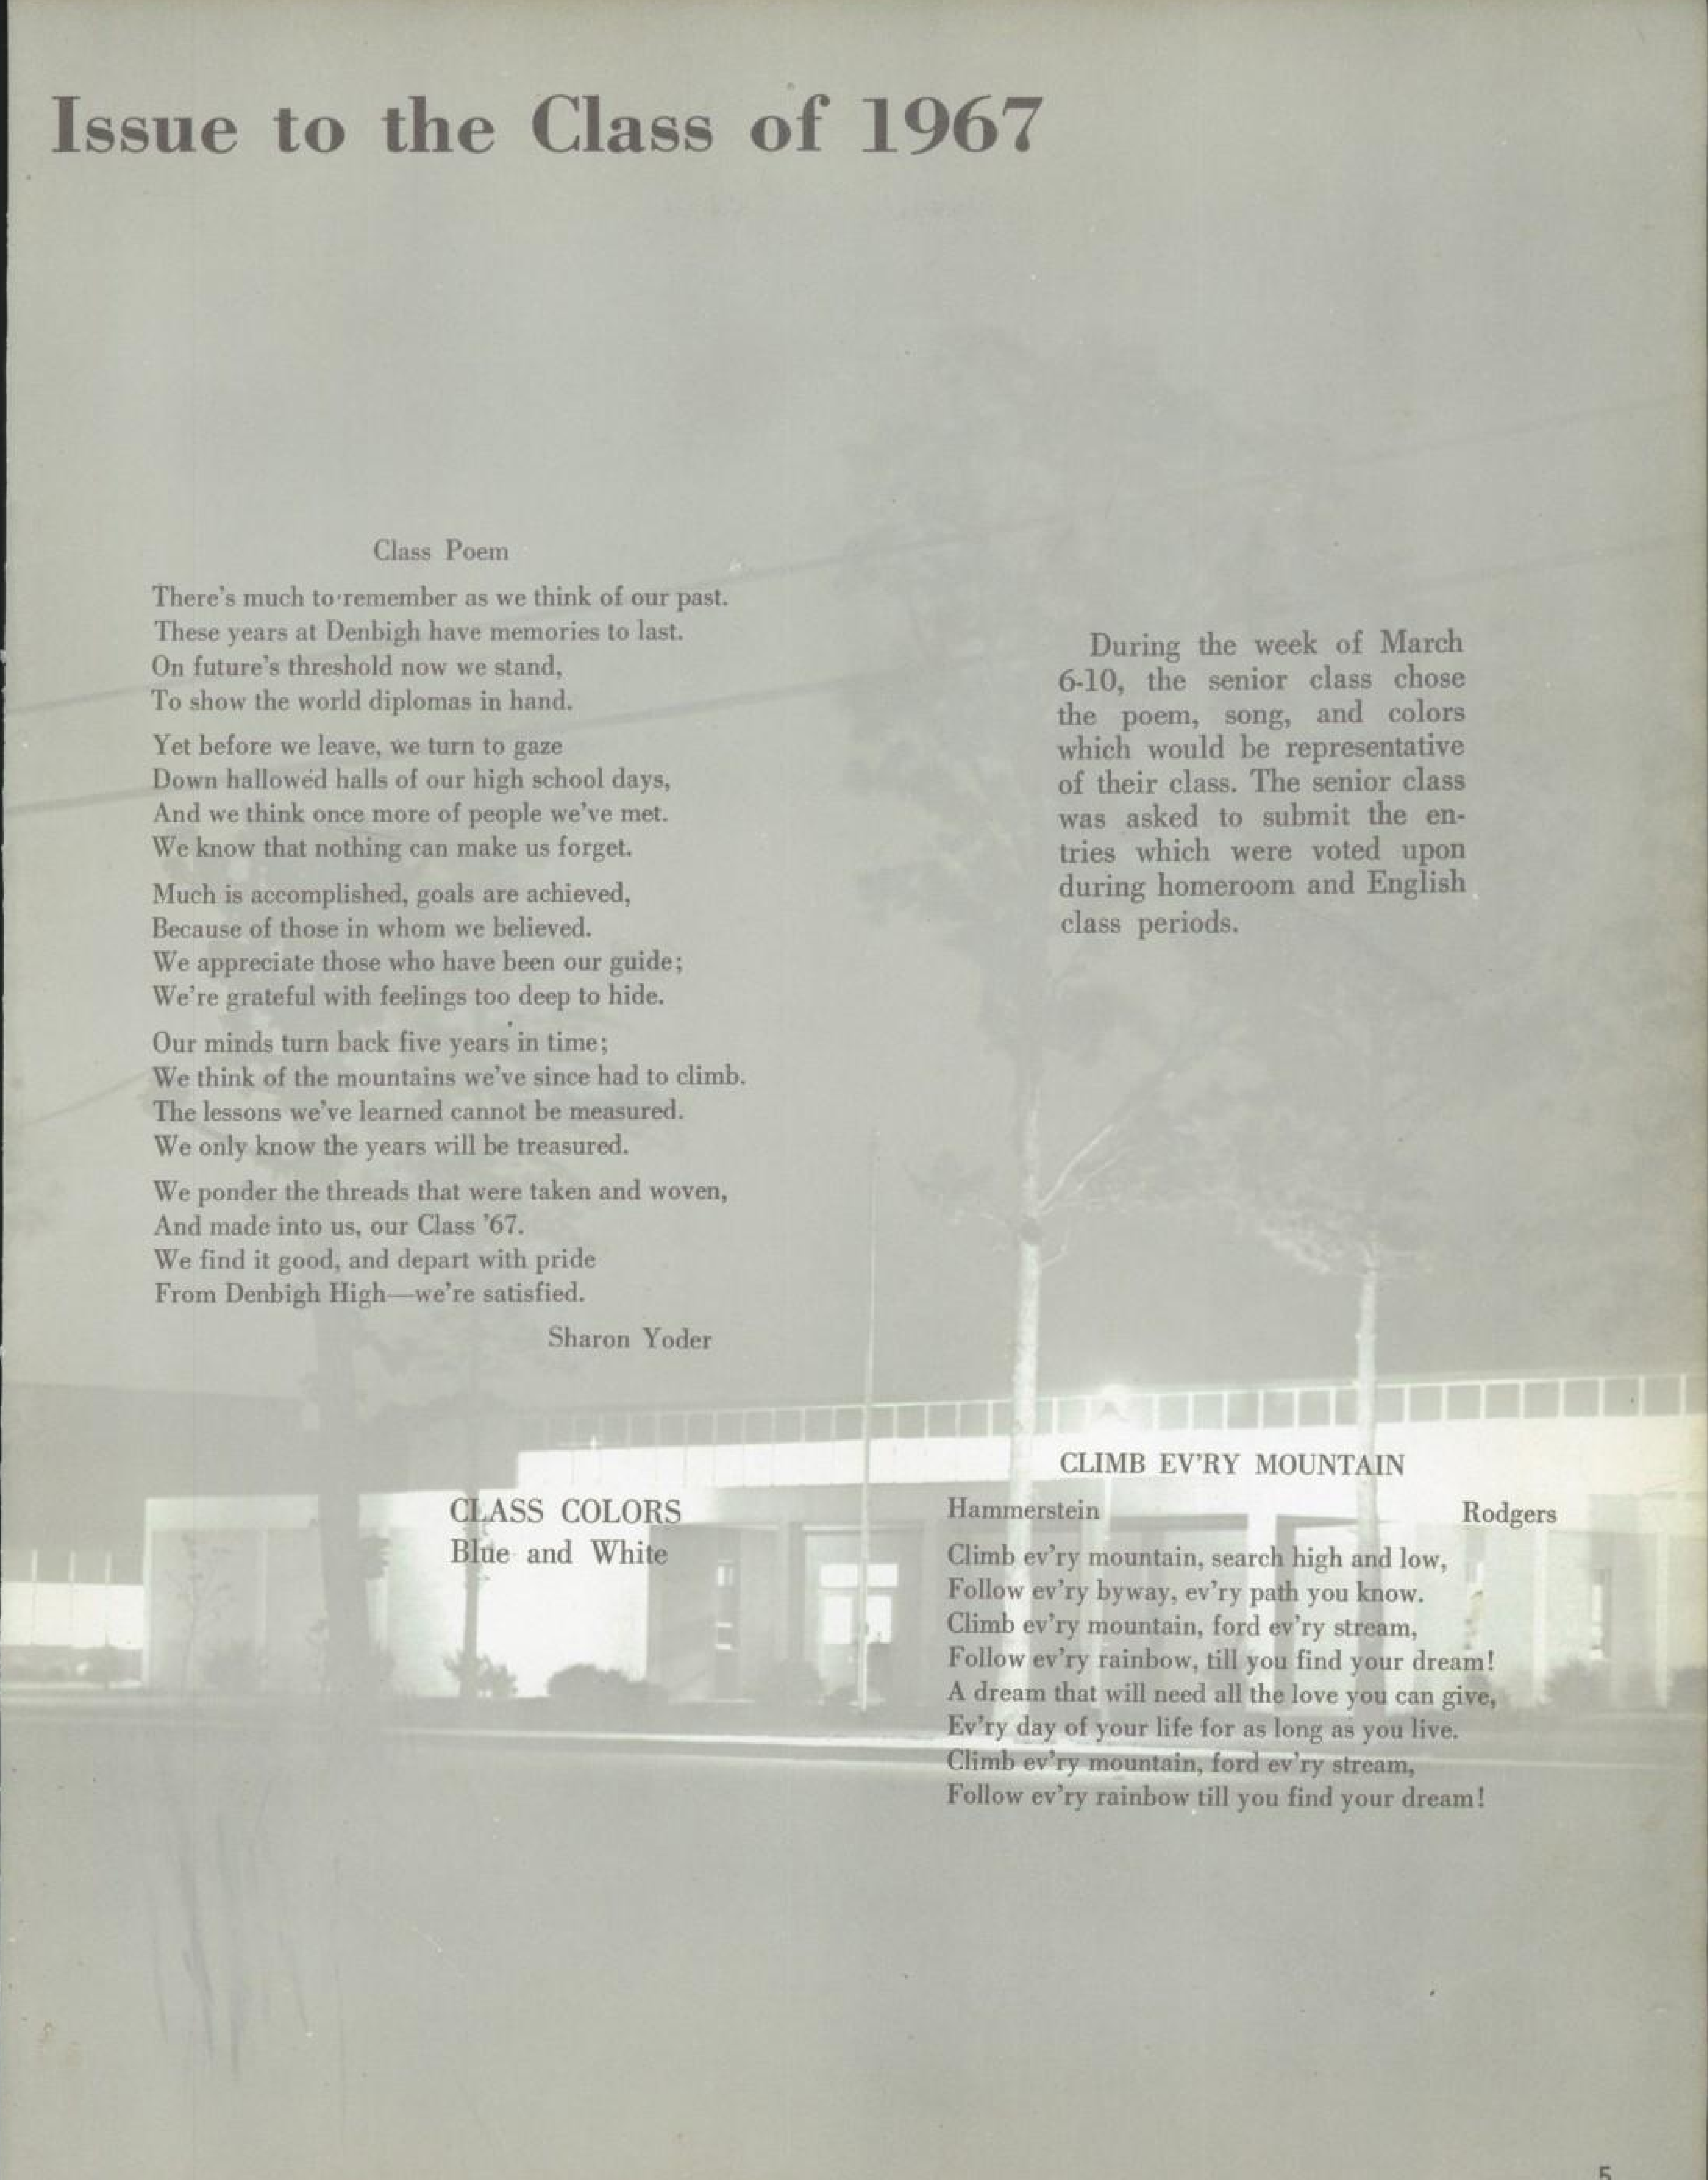
Gladly you accepted these responsibilities. You helped to establish the Student Cooperative Association and the Honor Council. Academically, you have well represented Denbigh High in science fairs both state and local. Some of your outstanding members have brought honor to the school by receiving awards in the National Merit Scholarship Competition and the Westinghouse Science Foundation Scholarship Competition. You have shown sufficient interest in advanced courses in mathematics, social studies, and science, making possible their establishment in the school's curriculum. Socially, you have established as traditions such affairs as Senior-Junior Powderpuff football and basketball games, a Senior Ring Dance, and a Senior Dinner Dance.

You were given the privilege of designing your class rings and senior keys.

Beneath the roof DHS, you have discovered, a sometimes exciting, sometimes monotonous, but ever-challenging world, composed of teachers and classmates, work and play.

You, the Class of 1967, leave Denbigh High School with many treasured memories, and bright hopes for the future.

Issue to the Class of 1967



Class Poem

There's much to remember as we think of our past.
These years at Denbigh have memories to last.
On future's threshold now we stand,
To show the world diplomas in hand.

Yet before we leave, we turn to gaze
Down hallowed halls of our high school days,
And we think once more of people we've met.
We know that nothing can make us forget.

Much is accomplished, goals are achieved,
Because of those in whom we believed.
We appreciate those who have been our guide;
We're grateful with feelings too deep to hide.

Our minds turn back five years in time;
We think of the mountains we've since had to climb.
The lessons we've learned cannot be measured.
We only know the years will be treasured.

We ponder the threads that were taken and woven,
And made into us, our Class '67.
We find it good, and depart with pride
From Denbigh High—we're satisfied.

Sharon Yoder

During the week of March 6-10, the senior class chose the poem, song, and colors which would be representative of their class. The senior class was asked to submit the entries which were voted upon during homeroom and English class periods.

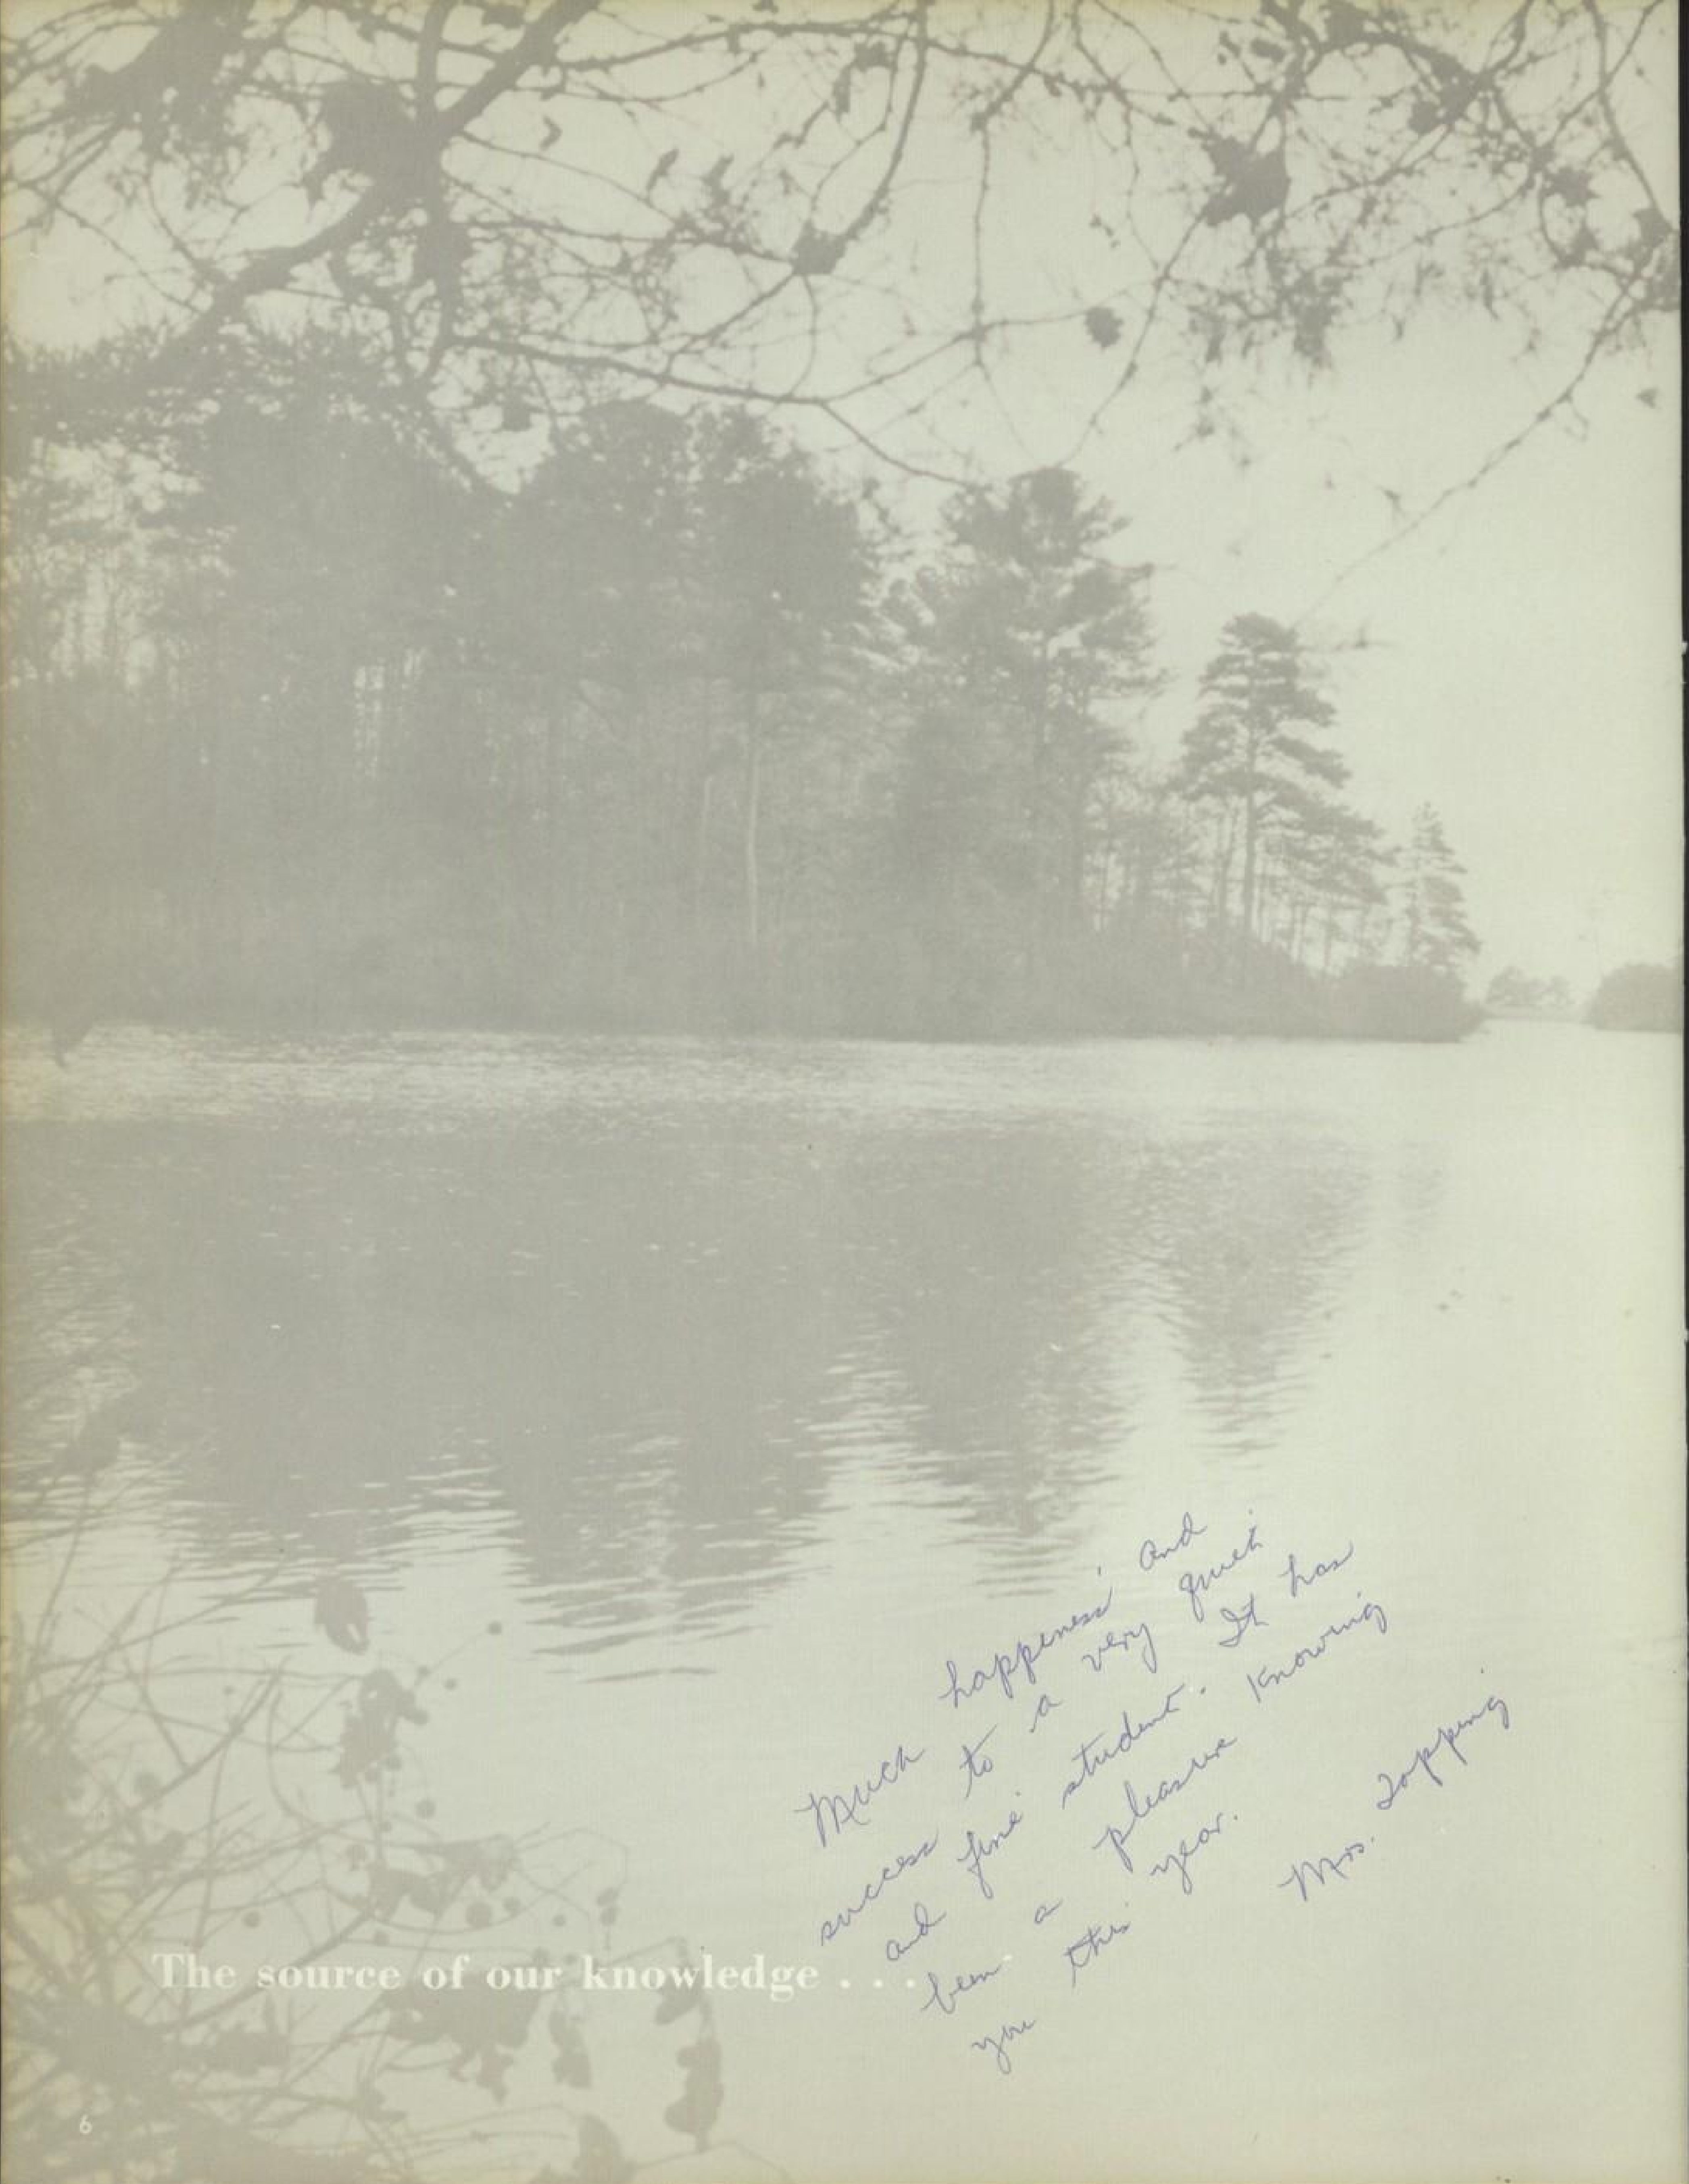
CLIMB EV'RY MOUNTAIN

Hammerstein — Rodgers

Climb ev'ry mountain, search high and low,
Follow ev'ry byway, ev'ry path you know.
Climb ev'ry mountain, ford ev'ry stream,
Follow ev'ry rainbow, till you find your dream!
A dream that will need all the love you can give,
Ev'ry day of your life for as long as you live.
Climb ev'ry mountain, ford ev'ry stream,
Follow ev'ry rainbow till you find your dream!

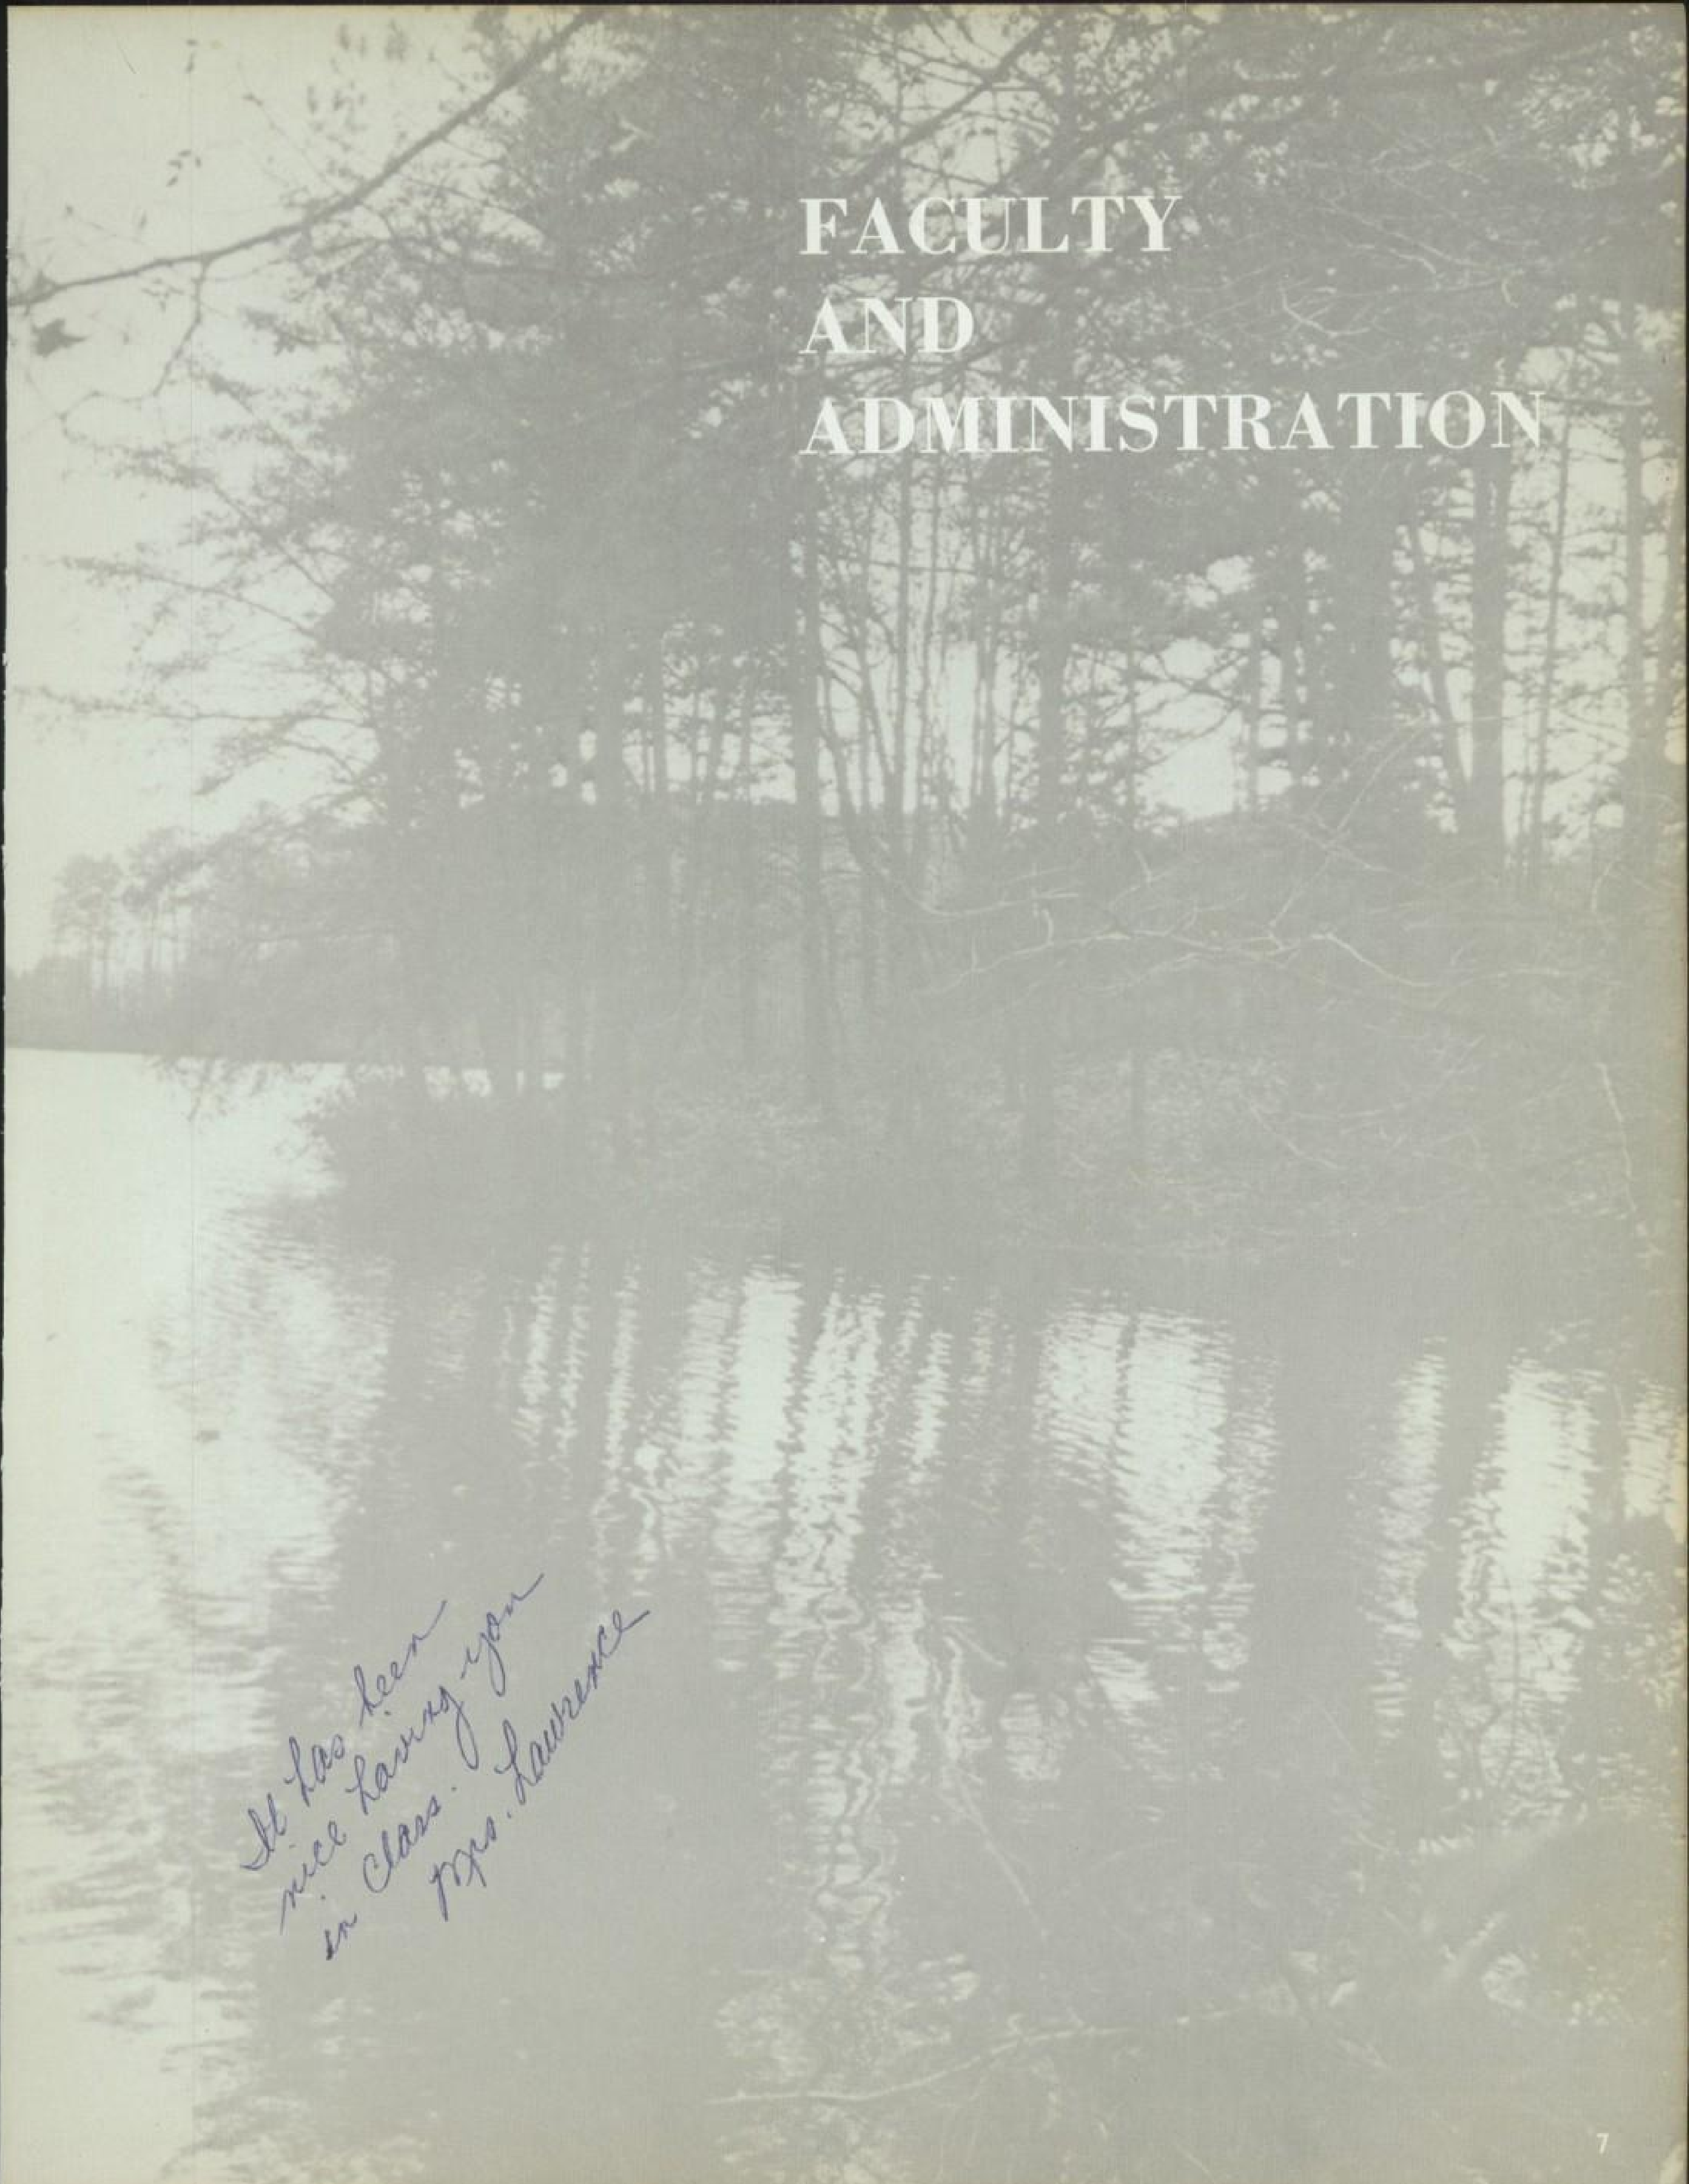


The source of our knowledge . . .

Much happiness and
success to a very quiet
and fine student. It has
been a pleasure knowing
you this year.

Mrs. Topping

FACULTY AND ADMINISTRATION



It has been
nice having you
in class.
Mrs. Lawrence

Mr. Richards comes and goes with the rest of us

Mr. Richards actively participates in school functions.

As the Administrative head of a new school, Mr. George Richards is kept busy talking to students, working with teachers, attending meetings, and representing our school at community functions. An additional burden for him has been the organizational efforts involved with establishing a new school.

Admired greatly by the entire student body, Mr. Richards has become an integral part of our school life.

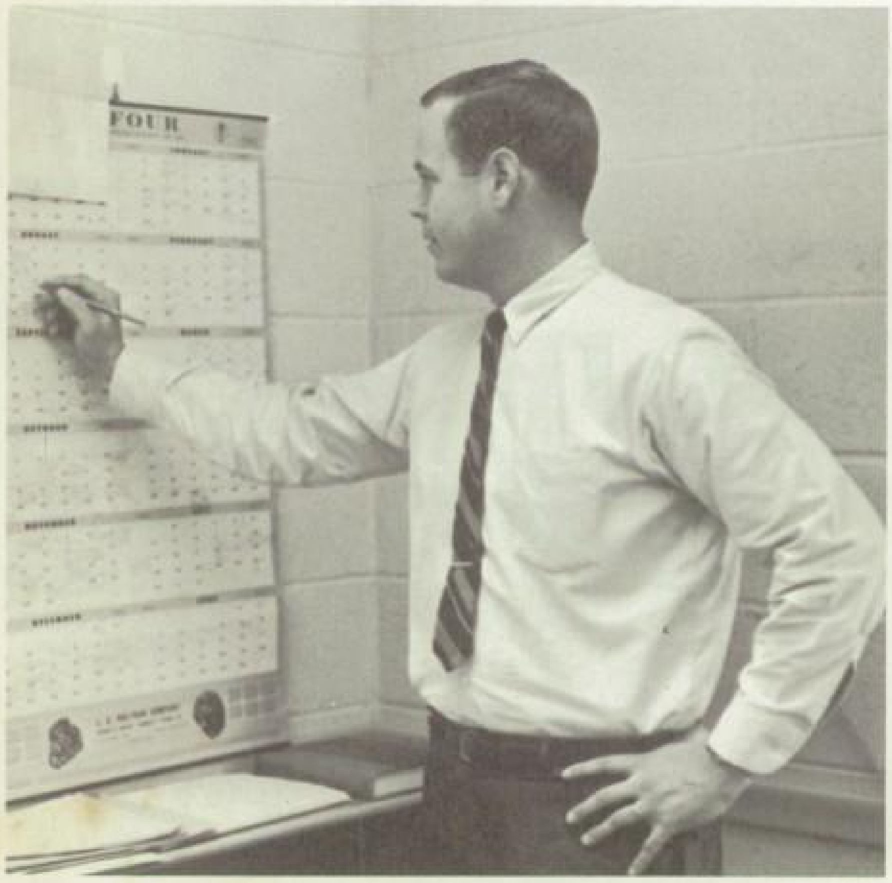
Assistant Principals Maintain Harmony At DHS

The ability to understand students—a virtue which takes patience and talent—is the chief virtue of our assistant principals, Mrs. Virginia Kostyal and Mr. George D'Amelio. Talking to students, and conferring with faculty members, and attending meetings have made up their busy schedules. Always present at the pulse of the school whether it be a club meeting, athletic event or a social event, their interest helps to guide the enthusiasm of Denbigh High students with assistance and advice.

These members are essential in the efficient

NATIONAL
GUIDAN

Our efficient guidance counselors, Mrs. Betty Cole, Miss Shirley Mason, Mrs. Peggy Biggins, Mr. Ralph Johnson, and Mr. Sanford Snider, help guide every student in DHS toward the right direction in our future life.



Mr. Bill Cox, Activities Director, is in charge of all sports and social events at DHS.

The secretaries Mrs. Clara Rothenberger, Mrs. Margaret Forbes, Mrs. Elizabeth Spruill, and Mrs. Hazel Needham proved an indispensable asset to the life at DHS.

Running of the School Business

Mrs. Frances Martin, our own Florence Nightingale.

Mr. Carl Moore is a bright spot at Denbigh.

Nothing is too much trouble for Mrs. Bernice West.

Under the guidance of Miss Nancy Lyons, Mrs. Helen Cox and Mrs. Dora Smith both students and faculty have greatly profited from the training and ability of the library staff.

The understanding of oneself comes with literature

English department members are: Mrs. Helen Onderdonk, Miss Suzanne Buscher, Miss Sharon Chambers, Miss Betty Clegg, Mrs. Kenneth Corricello, Mrs. Margaret Cunningham, Mrs. Mary Fairfield, Mrs. Genevera Kelly, Mrs. Dell Logan, Mrs. Rosalyn Moore, Mrs. Linda Newman, Mrs. Evelyn Derhac, Mrs. Frances Topping, Mrs. Nancy Wise, and Mrs. Richard Wharger (not pictured).

English classes teach us to communicate. Under the guidance of Mrs. Helen Onderdonk, the department head, fifteen teachers are planning a curriculum designed to meet the needs and interests of all students.

In the lower grades, English grammar receives the major emphasis with an effort to improve instruction through a concentrated course in English grammar and composition. After the mastery of such fundamentals in mechanical correctness, the English teacher of the junior and senior classes emphasizes the proper structure of themes and term papers, as well as the appreciation of good literature.

"Who's making that noise like a cricket?"

Members of the social studies department are Mr. Ronald Eisaman, Miss Joan Lowry, Mr. Jesse Liles, Miss Judith Bailie, Mrs. Martha Plummer, Mrs. Joan Burnett, Mrs. Hilda Jackson, Mrs. Elizabeth Lawrence, Miss Kathryn Smith, Mrs. Linda Kent, and Mrs. Peggy White

On the Job training stressed in Vocational Education

Industrial Cooperative Training and Distributive Education students attend classes part of the school day and work part time in industrial and distributive jobs out in the community.

ICT students prepare for such careers as auto mechanics, dental assistants, draftsmen, optical mechanics and nurses. DE students pursue careers in the retail, wholesale and service fields.

The Vocational Education program supplements and enhances a general education for students who want training for a chosen occupation. Vocational Education is a part of a well rounded program of studies aimed at developing competent workers and recognizing that the American worker should also be competent economically, socially, emotionally, physically and intellectually.

Mr. James Loving and Mrs. Barbara Nelson

Girls Physical Education classes stress activities

Under the supervision of Mrs. Dorothy Laposky, Miss Jackie Walker, Mrs. Joan Wheeler, Miss Karen Ruder, and Miss Marie Sulik DHS girls keep in top physical condition by participating in individual and team sports. Varied sports in which they can indulge are basketball, softball, tumbling, table tennis, and volleyball 1.

The boy's gym teachers are Mr. Glen Brodie, Mr. Carlis Allison, Mr. Phil Turner, Mr. Charles Weaver, and Mr. Jerry Turley, who is Boy's Physical Education Department Head.

Eighth graders find new challenge in exercising

"Maybe he won't see me down here.

But coach, we've been exercising for 55 minutes!

"It's across the hall Miss Walker."

The Fine Arts Department Encourages Student Talent

Members of the music department are Mrs. Gwendelyn Hansen, Miss Betty Jones, and Miss Janice Shockley

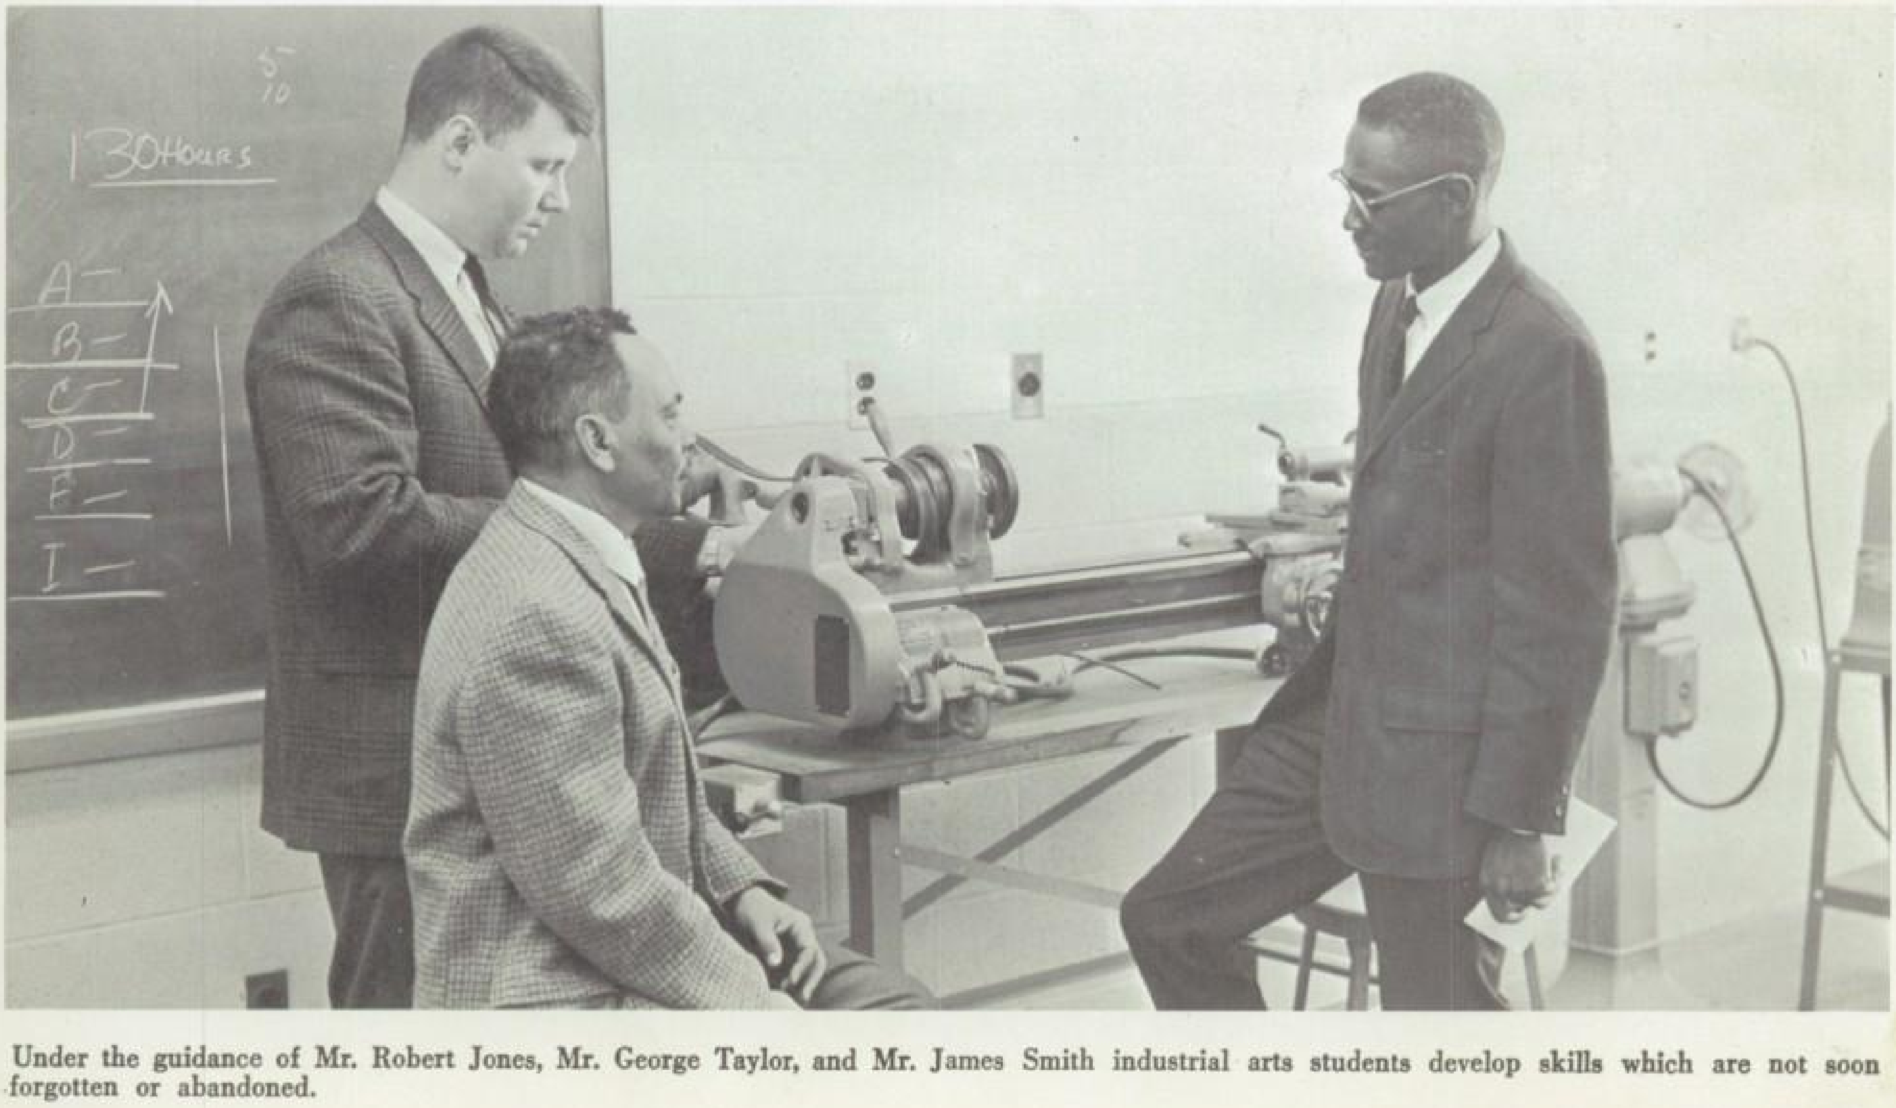
Home Economics And Industrial Arts Teach Valuable Skills

Mrs. Helen Honeycutt and Mrs. Peggy Harvey teach their students many skills such as childcare, home planning, sewing, and cooking, which can be applied to everyday life.



Under the guidance of Mr. Robert Jones, Mr. George Taylor, and Mr. James Smith industrial arts students develop skills which are not soon forgotten or abandoned.

Towncrier Informs Student Body

The job of the newspaper layout staff is to edit all of the material that is handed in, to organize it and to lay it out on the paper in preparation for the printers. The layout staff consists of all page editors and the business manager. Some tasks involved in laying out the paper include cropping pictures, writing headlines and captions and evening lines of copy. After the newspaper is laid out, it must be taken to the printer's, picked up, and finally distributed to the hands of students. Under the guidance and leadership of Miss Karen Ruder the staff puts out an excellent newspaper.

The Denbigh High School Town Crier, published bi-monthly, serves as an informative feature in DHS. It is distributed to every Activity Ticket holder in homerooms and can be brought for ten cents in the halls. Regular articles appear as well as featured and editorial items. Long hours are spent preparing the Town Crier before and after school, Saturdays, even lunch periods, and of course, during Staff N's official business hour, first period. Soliciting ads to help pay for this "voice of the students" was no easy task but a necessary one; and each member tackled it vigorously. The reporter staff of the DHS Town Crier supplies the newspaper with varied articles and stories.

The purpose of the Distributive Education Club is to familiarize its members with the fundamentals of retailing and salesmanship. The students are taught the current problems and practices that deal with distribution. In the tenth grade students take a D. E. preparatory class for the whole year. Then in the junior and senior years students get out of school for the last two periods of the day and go to work. One credit each semester is given to the students towards graduation.

The D. E. Club sponsored a Sweetheart Dance on February 11, 1966. Out of two other contestants, Kathy Sofikitis and Pat Chapin, Barbara Vandeveer was chosen to wear the title of Miss D. E. Club. The contestants were chosen for their work and contribution to the D. E. Club.

Rings Arrive

Eva

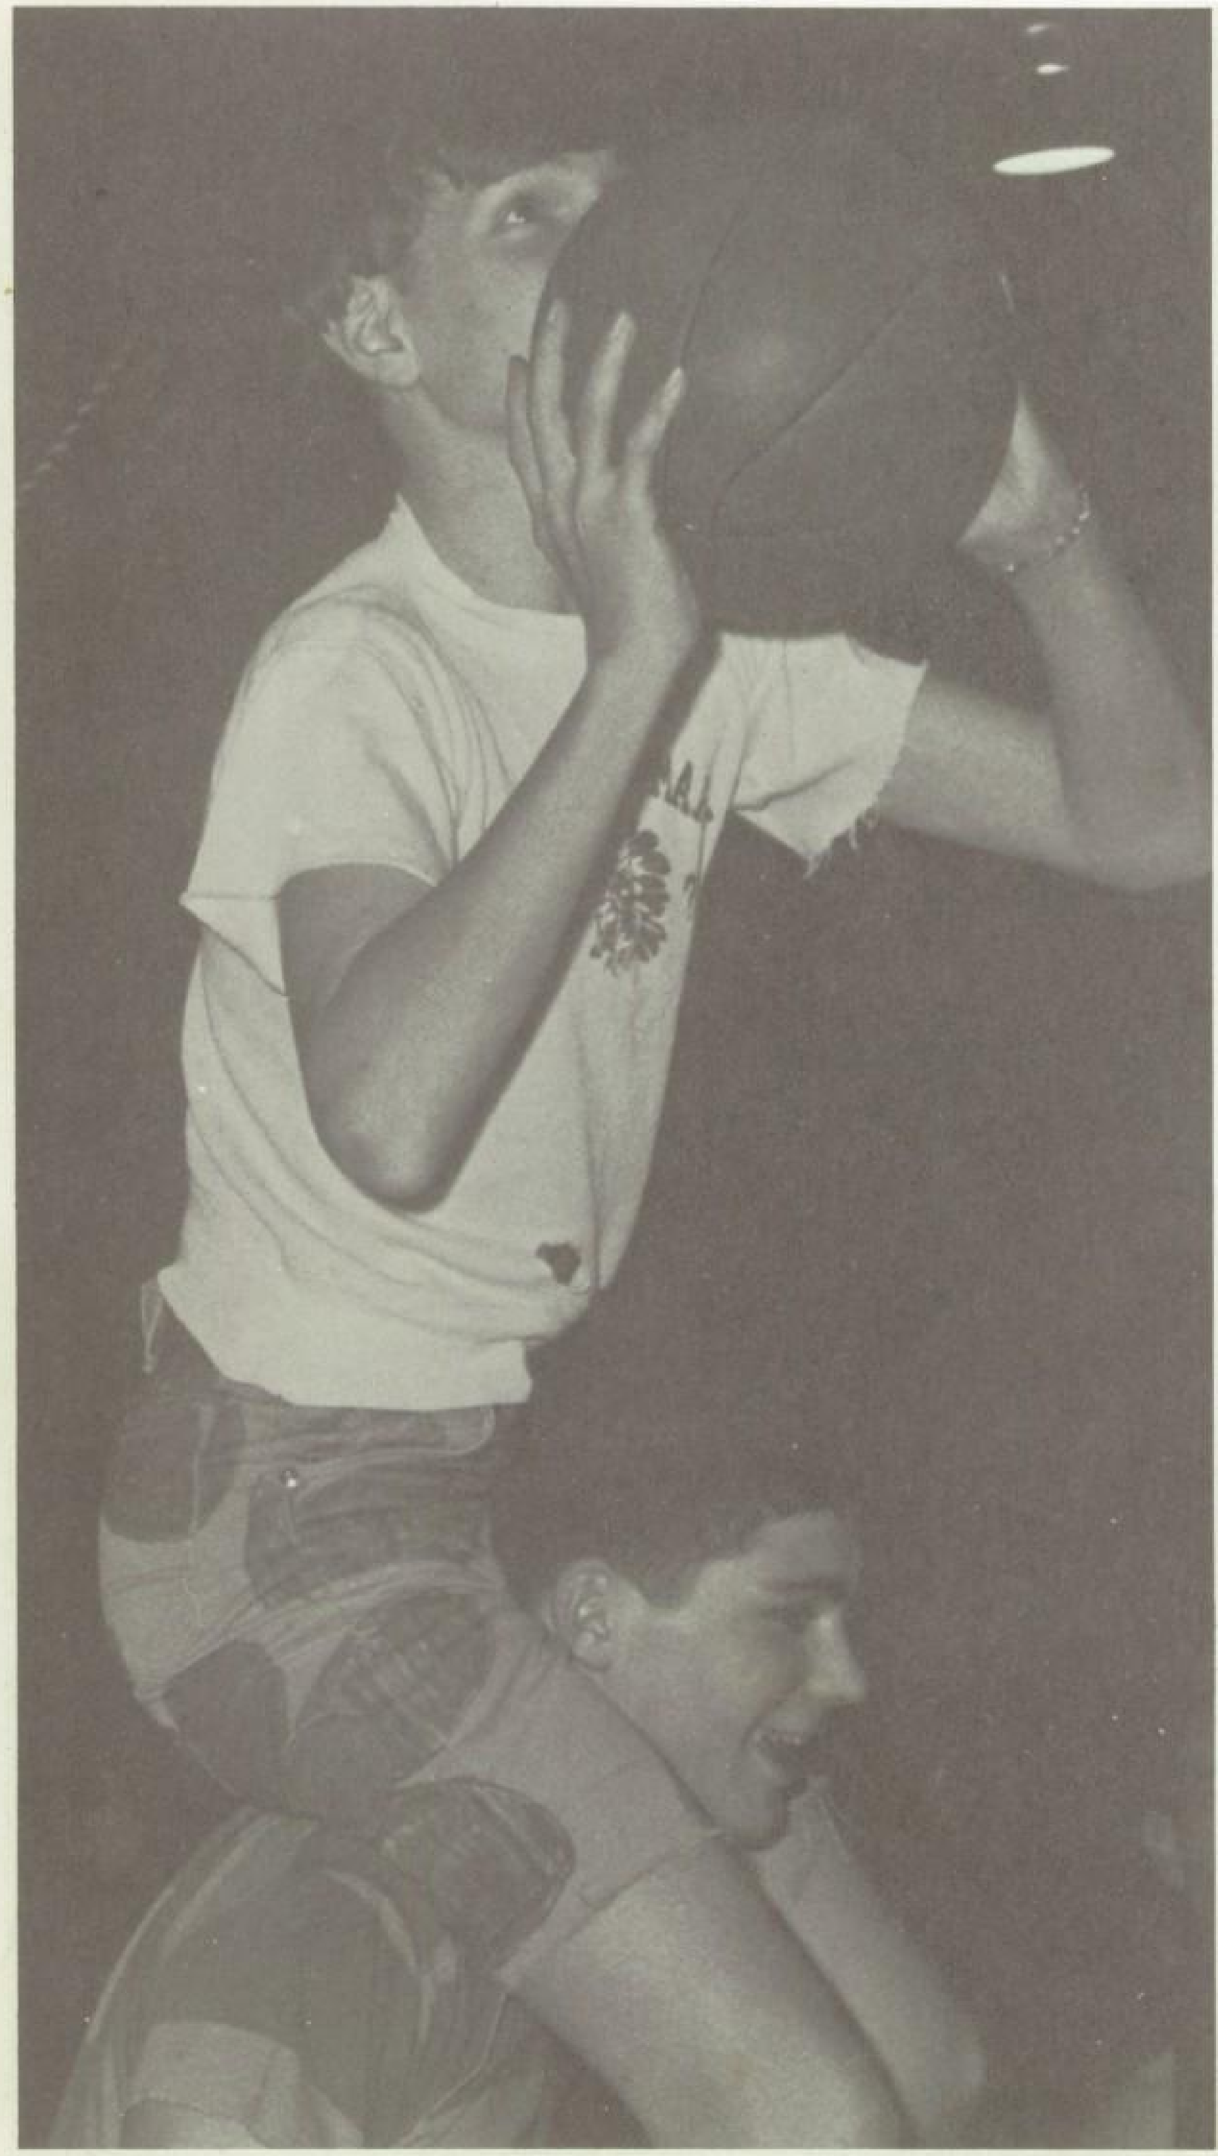
Eva

Excitement ran high on October 28th, as the first Seniors of Denbigh High School received their class rings. With the arrival of the rings, The Class of 1967 was able to establish another new tradition for Denbigh.

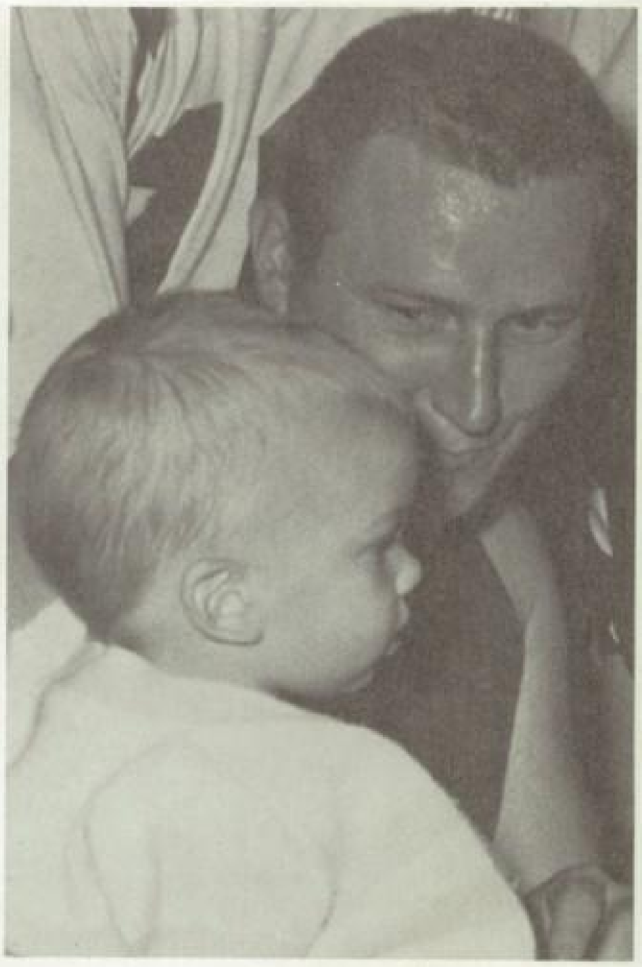
A semi-formal dance, held on the following evening, highlighted the occasion. During the dance a ring ceremony was conducted in order that all Seniors might have their rings put on at the same time.

A Dance Highlights The Occasion

Key Club — Faculty Game Helps



Bruce Finke, with the support of Bucky Hoskins, comes in for a closer shot, as Coach *Keep 'em straight* Turley anxiously awaits the rebounds.



Coach *Comet* Cowley explains to his son that this really isn't what he does at school all day.

"You mean we really won?" asks dazed Coach *Swamp Rat* Weaver.

Boost Denbigh's Athletic Fund

Super Santa (alias Bob Calvert) exhibits his strength to Key Club Pepster Luanita White during the game. In the background is WGH Radio's D.J. Gene Loving who refereed the game.

Faculty Cheerleaders spurred their team to victory.

Miss Jones really has something to blow her horn about—her team won!

Pep Assemblies Help

Spirited Pepsters enthusiastically lead students in cheers.

Instill School Spirit

Pep Assemblies, held in order to boost school spirit throughout the entire student body, were the outcome of the cooperative efforts of Coaches, teams, students, and the band.

Drama Department Sponsors

"If Girls Asked Boys For Dates" is a farcical production in which the regular boy-girl date relationship is reversed. The play starred Eddie Matthews, Frances Craver, Jack Smith (here portrayed by understudy John Keener), and Jan Powell.

"Night Of One Acts"

Barbara Evert, who portrays the mother in "If Girls Asked Boys For Dates", warns son Eddie Matthews of the ways of women.

Dale Payne takes a last look at Mike Matthews who portrays the title role in "Duddy", a tragedy about the death of the town bum.

Duddy "rests in peace" as friends pay their last respects.

"Duddy" Represents Denbigh

Duddy learns who his real friends are as he returns from the dead to visit with those who are paying him their last respects.

Sister Lydia, portrayed by Beth Linkous, receives a final kiss from Duddy.

Duddy has a few final words with Jody, as Robin Stallard, Duddy's lost love, expresses her condolences to Lydia.

In District Play Tournament

Duddy enjoys a few last moments with friends.

"Honest to Goodness", a light comedy about the eternal triangle of girl-fiancee-romantic interest, starred Jim Hogan, Yvonne Boyd, Patty Whitlock, Gary Gibbons, Andrea Mullen, and Russell Bayne.

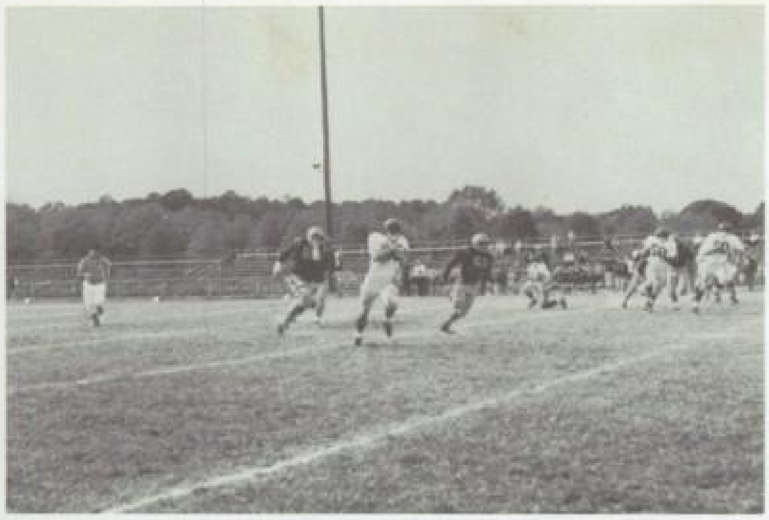
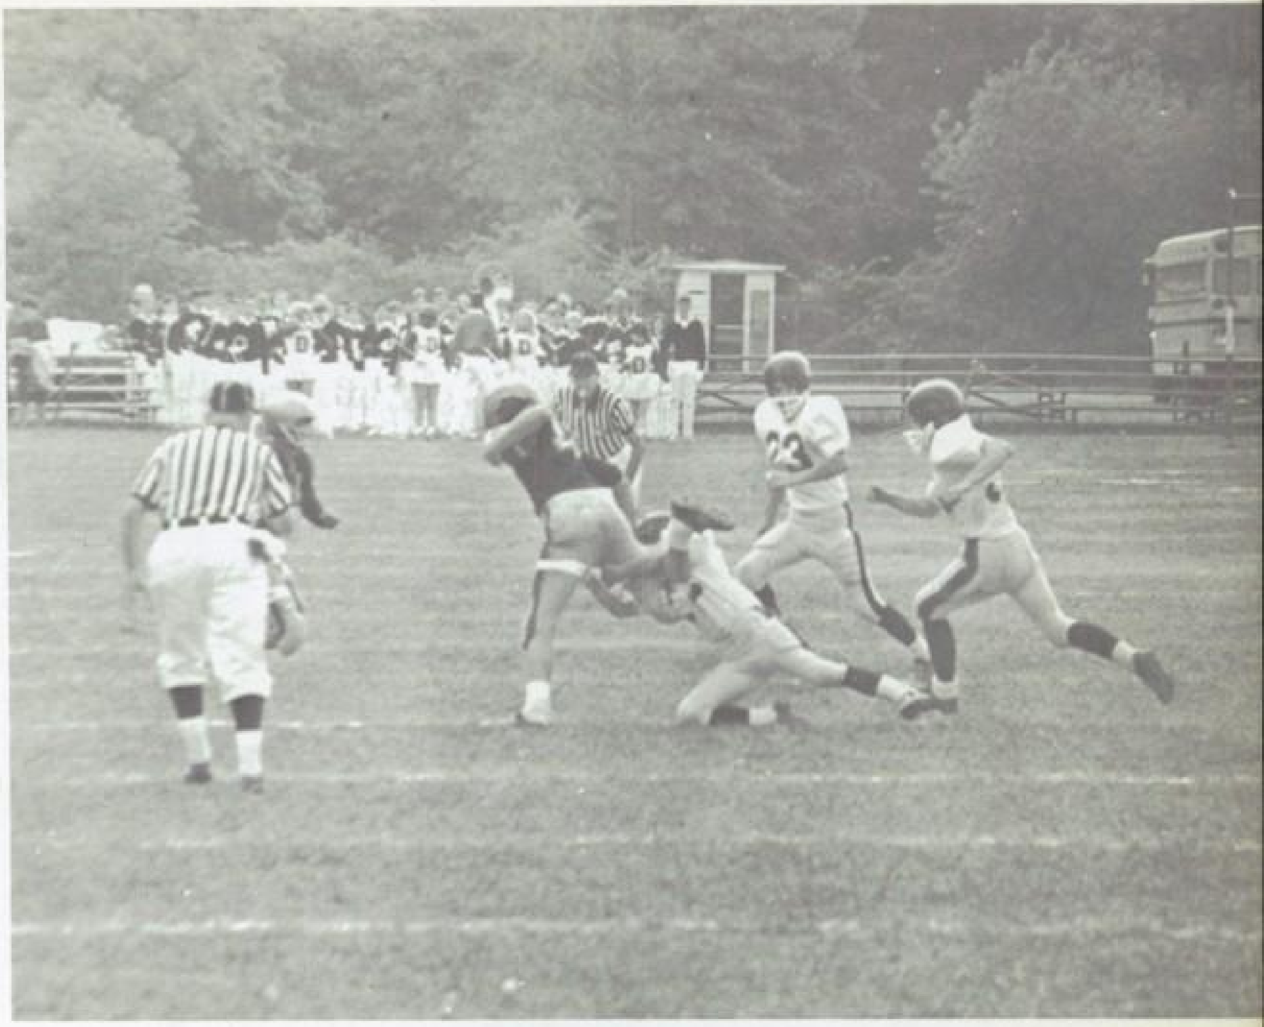
A pep talk from Coach Cox

Coach Turner—Backfield; Coach Eisaman—Backfield Coach Cox—Head Coach; Coach Brody—Line



For the first time this year, Denbigh played football in the 1-A class. We gained recognition as a hard-fighting team in a narrow defeat by the self-confident Warwick Farmers. Our first win of the season came in our fourth game when we defeated James Blair 19-14 in their first actual loss of the season. Although the next two games were lost, our team fought hard and Barry Robinson was our next victim with a score of 32-6. Our last games were defeats but the Patriots fought hard to the last. In all we gained distinction as a full-fledged team.



Another Ranger bites the dust!

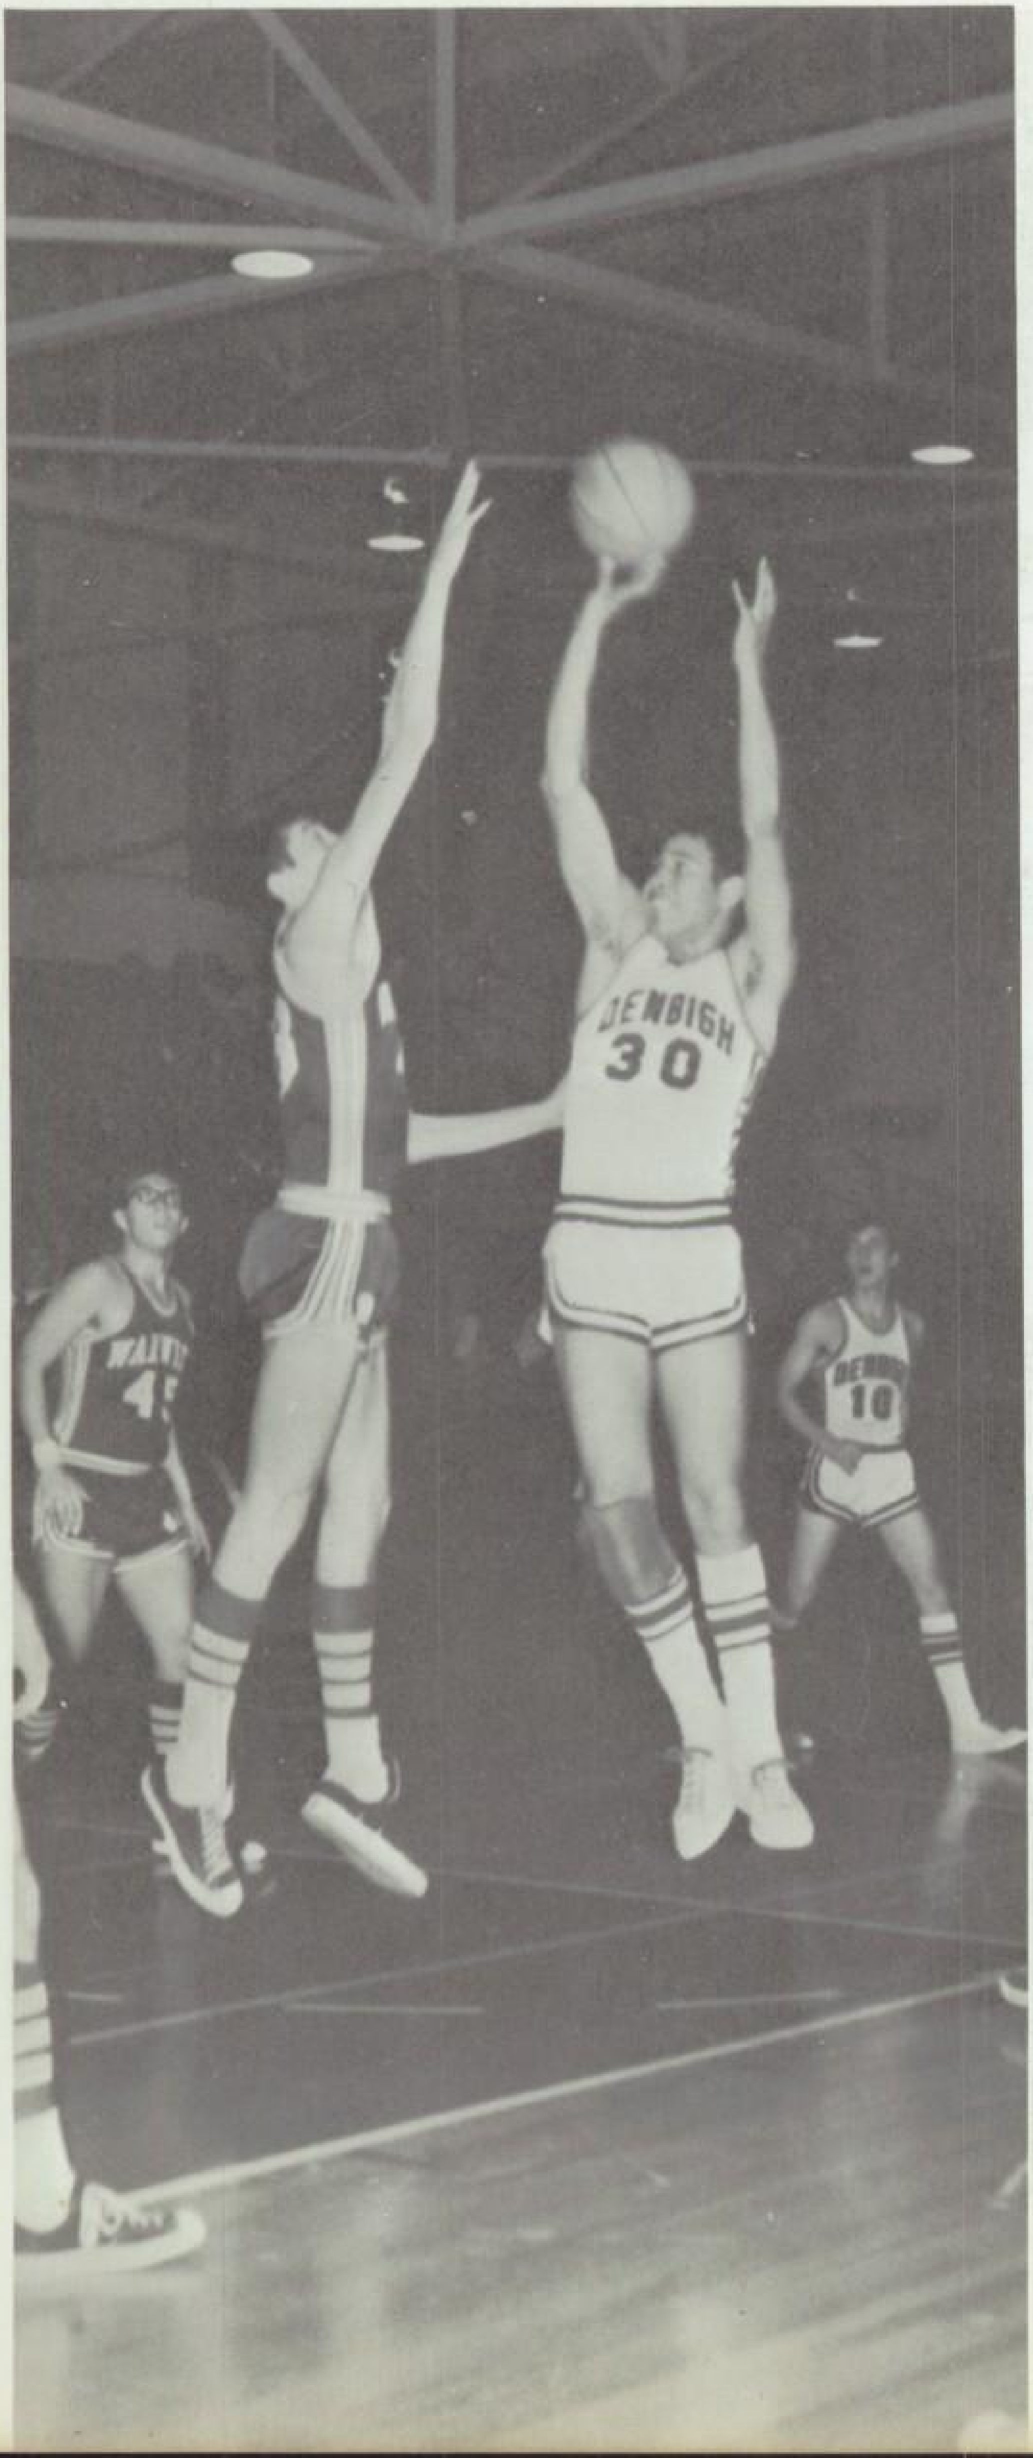
Wins Aren't Beginner's Luck



Denbigh Varsity Basketball got off to a roaring start this season with four victories over Forest Glenn, James Blair, and Barry Robinson. After defeating Kecoughtan, our second game with Barry Robinson was lost with a double over time.

Greg Granderson, at the time of his mid-season transfer to Germany was top peninsula scorer, and was chosen for 2nd team All Peninsula.

We ended the season with two wins over Warwick and York.

We defeated Warwick in our first tournament game with a score of 26 to 24. We were pushed out of the championships by Newport News in our second tournament game. The final results at the end of the regular season were 7 wins and 11 losses.

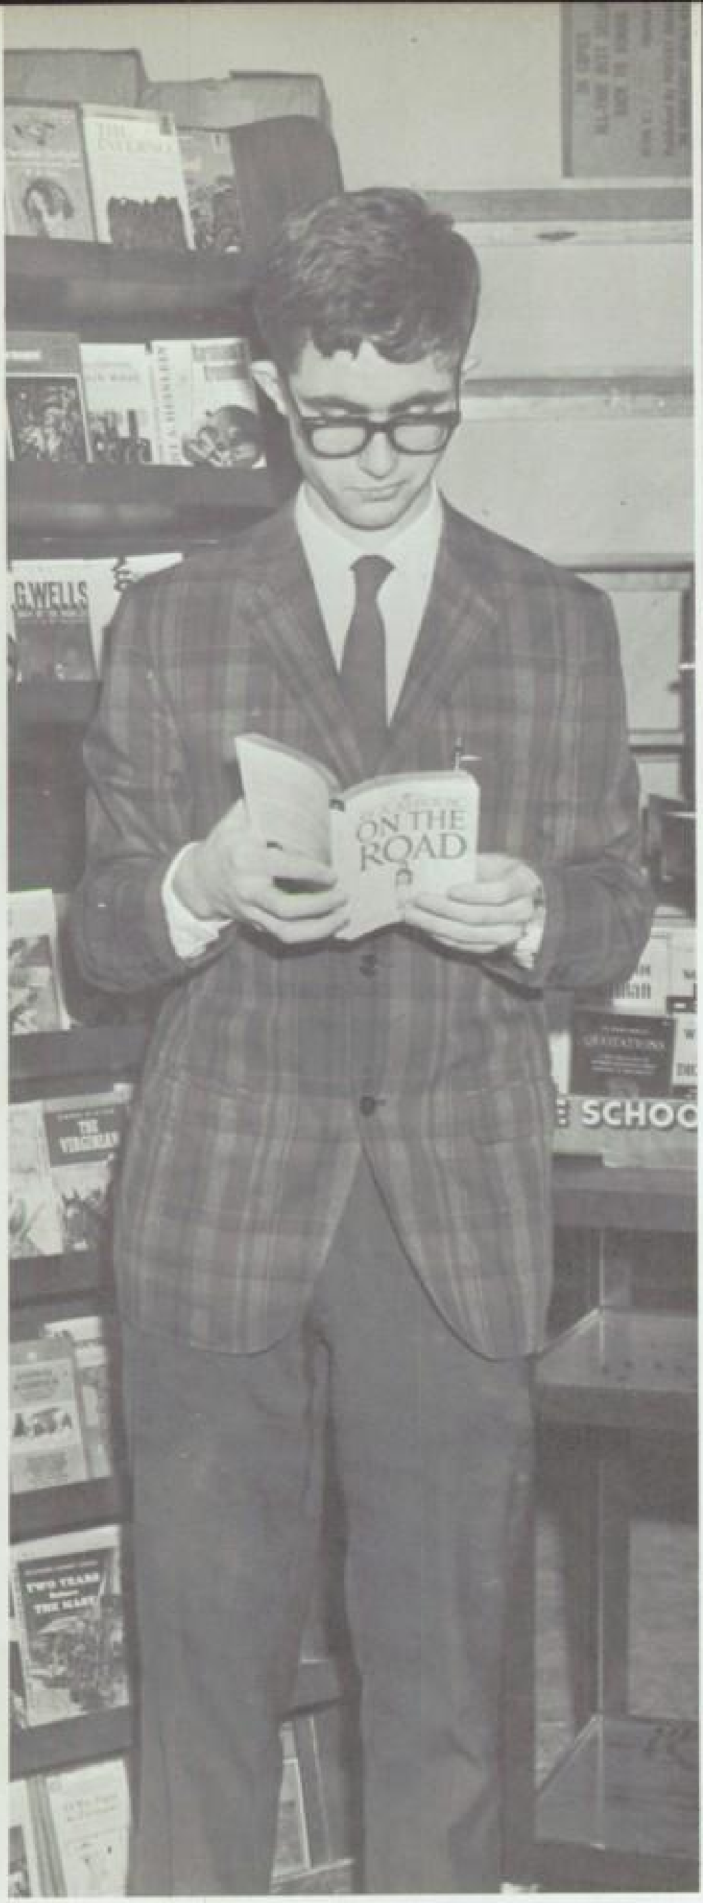
"Most Likely To Succeed" was the title given to Tom Turley by the Senior Class. A member in his junior year, Tom served the Science Club as President in his senior year. An A student, Tom was chosen as an alternate to Boys State. This honor indicates Tom's leadership ability, and service to the school.

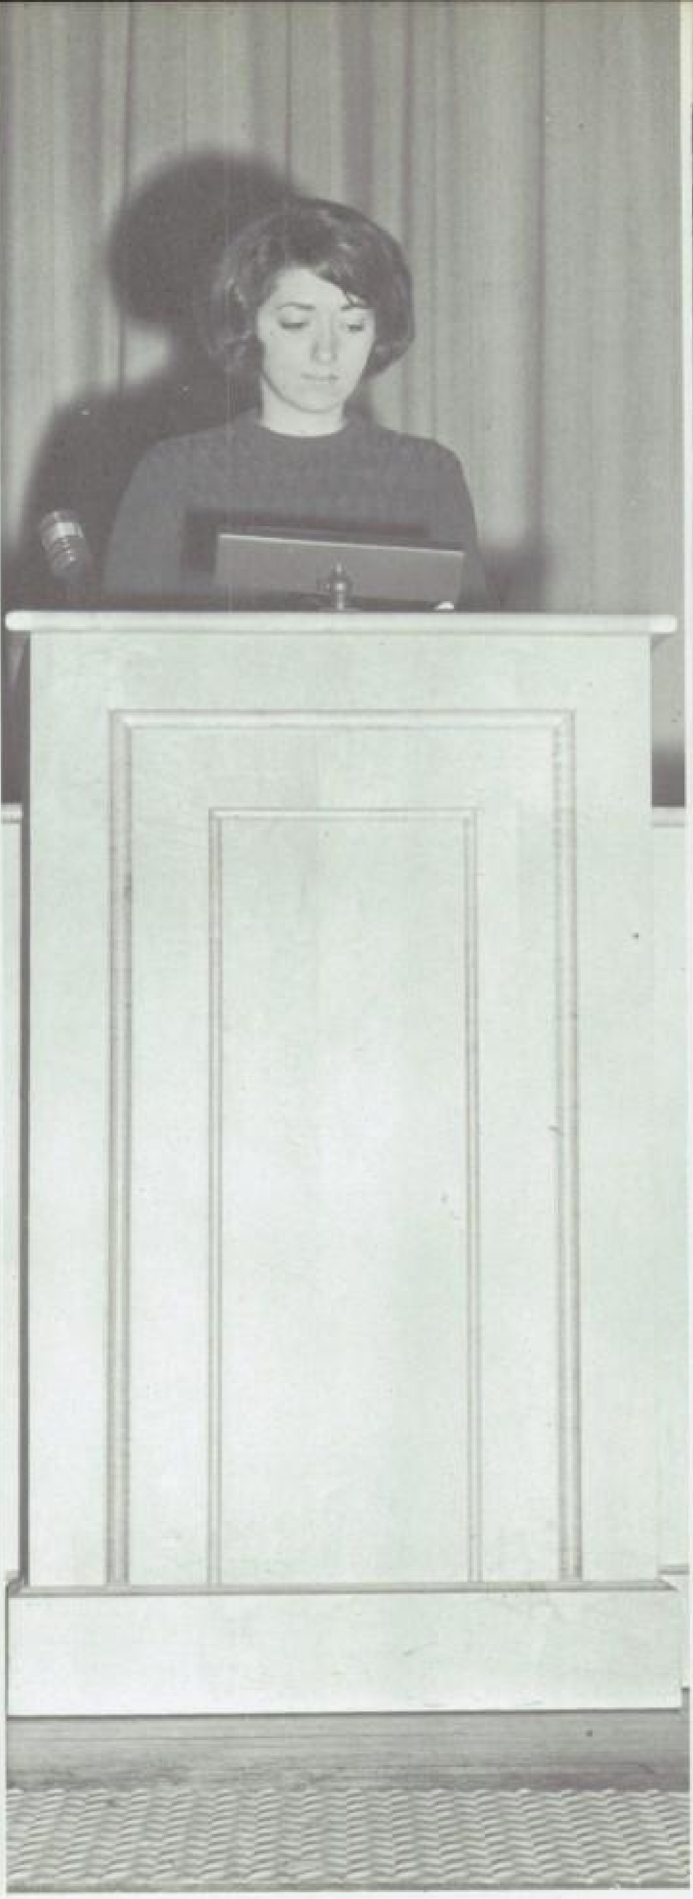
Lincoln Fajardo achieved his familiarity with Denbigh High School by serving as its first SCA President. An A student, Lincoln finds the time to participate in many other activities. This year he acted as chairman of the SCA Special Events Committee. As a junior Lincoln was news editor of the TOWNE CRIER, and as a senior served as its business manager. Lincoln received awards in the Science Fair in both his junior and senior years. He was also the school-wide winner of the math contest last year. Lincoln was chosen as an alternate to Boys State, exemplifying his leadership abilities.

One of the busiest students at DHS these past two years has been Zoe Ann Hall. She could often be found in the publications room, hard at work on the *HERITAGE*, of which she was editor for two years. In her junior year, Zoe Ann was president of Tri-Hi-Y, and has been an active member of Denbigh High School's FTA for her two years at Denbigh. Zoe Ann is a member of the National Thespian Society and this year served Denbigh as SCA Secretary. "Most Likely to Succeed" is the title given her by classmates, one which is measured by her record of past successes.

Outstanding Seniors Chosen By Faculty On Basis



Tom Snelling is familiar to many as monitor of the Science Club bookstore. An A student, Tom takes special interest in math and science. Early in the year he was recognized as a National Merit Scholarship semi-finalist, an honor for intellectual, able, young people. Tom also was awarded a Westinghouse Scholarship, an honor reserved for only two hundred high school students across the nation. As a junior Tom was selected to attend Boys' State, and this year serves as Vice-President of the Science Club.



A very familiar face around Denbigh High has been that of Pat Robertson. Acting as SCA President for the 1966-1967 school year Pat definitely had a job on her hands, in which she could make excellent use of her willingness to work, her drive, her spirit and her determination. Pat has been active in many other areas too, including FTA. A junior in the formative year of the TOWNE CRIER, Pat was co-editor. A delegate to Girls State, Pat has become accustomed to representing Denbigh High School in meetings and conventions throughout the state. Every Patriot cannot help but appreciate Pat's great contributions of time and talents, and can only hope that there are more such school leaders for DHS in the future.

John Corbett, first Denbigh High School Senior Class President, was certainly one of the most influential persons in establishing the school's extracurricular life. In addition to being a straight A student, John was president of his junior class. He was Co-captain of the Patriot football team in both his junior and senior years, and was Hi-Y's first president. At the end of his junior year, the faculty elected John to attend Boys State. He was chairman of the ring committee responsible for designing the first Denbigh High School class ring. His fellow classmates chose him "Best All Around" senior boy, an honor which is well deserved.

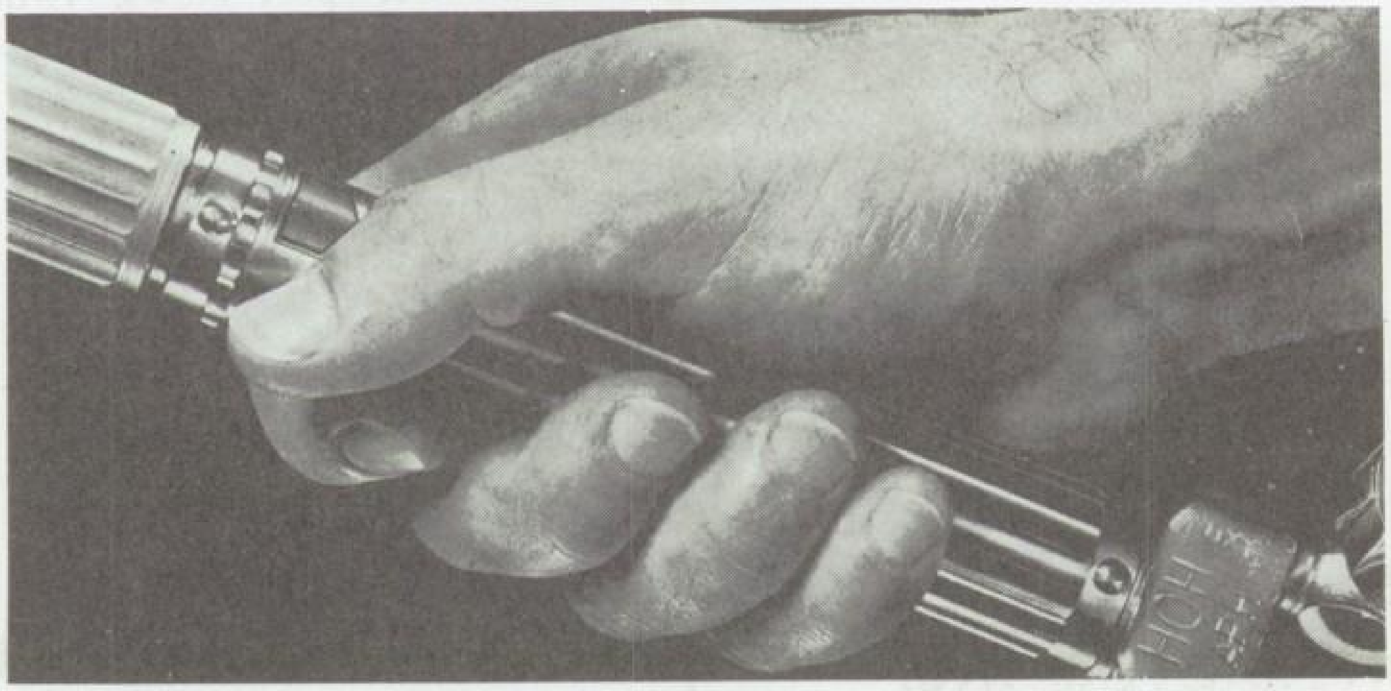
GOOD SHIPS START HERE



Fine ships don't roll off a production line. They're built efficiently and well only by men whose skills and knowledge are broad. That's why Newport News begins at the beginning with its own selective Apprentice School.

High School graduates enter on the basis of academic record. But selectivity doesn't stop there. In classroom and shop, in the drafting room and out in the yard, each man's special abilities are watched and developed.

Some become skilled and versatile machinists. Others become expert electricians or precision tool makers. Many become supervisors. Some earn scholarships for advanced training at colleges and technical schools.

We think the School's a pretty inspiring place, because its end results are good men and good ships.
